RATED MEETING NATIONAL QUALITY STANDARD

Meet our Centre Director!

Hello and welcome! My name is Edina Tuirirangi.
As the Director of Child Australia Lockridge Campus, I'm delighted to welcome you to our vibrant early learning community.

I bring over 24 years of experience working in education, leadership and operations, with most of my career spent supporting children, families, educators and service teams.

Throughout my career I've been fortunate to lead teams through change, support quality improvement, and build positive relationships based on trust, respect and open communication. More recently, I've also worked within the healthcare sector, which has given me a different perspective on teamwork, customer service and supporting people in fast-paced environments. Every role I've had has reinforced the importance of kindness, collaboration and helping others succeed.

My door is always open, feel free to come in for a chat, as I would love to get to know you! **Together, we can make a wonderful difference in the lives of our children and the wider community at Child Australia Lockridge Campus.**

Our Rooms and Age Groups

We have 4 Play Studios, supporting the ages and stages of your child's early years.

Our transitions and placements of children into 4 play studios are considerate of the individual needs of children, their age and their peer group when they transition to primary school.

ROOM NAME	AGE GROUP
Play Studio 1	0 to 18 months
Play Studio 2	18 months to 2.5 years
Play Studio 3 & 4	2.5 years to 6 years

We try and make all meals look the same, so no child feels excluded.

Child Australia Lockridge Campus

Lockridge Campus offers ELC and OSHC services surrounded in a beautiful space for children to learn and develop.

Incorporating an **Early Learning Centre** and **Outside School Hours Care** service, the Campus is set in beautiful parklands and is utilised by families from the richly diverse local community, living the mantra of inclusion with families and staff sharing 14 languages and cultures.

We work in partnership with the local school to deliver programs that will enable our children a smooth transition to primary school and continue their learning journey strong and confidently.

Central to our philosophy is a commitment to inclusive, play-based and holistic learning that celebrates each child's uniqueness. From introducing new languages through Early Learning Languages Australia (ELLA), to supporting diverse learning needs, partnering with families, and offering enriching experiences like gardening, yoga, creative arts, and school readiness programs - everything we do is designed to nurture confident, curious and capable learners.

Our Philosophy

We include all children in our Early Learning Centre and make a positive contribution to their future success by delivering high quality education and care.

We acknowledge that contemporary research has made explicit the connection between the quality of relationships in children's early years and their future positive cognitive and social development.

We recognise the importance of quality early childhood education and care practices and settings and acknowledge this is a priority in providing children with stimulating play experiences and learning environments which will positively enable all children to develop to their full potential.

"Thank you for loving my son like he is your own. He was always so happy when I came to collect him, never wanting to leave, always showering with cuddles and kisses and it was beautiful to watch."
