Certificate III CHC30113

Early Childhood Education and Care

This qualification is nationally recognised and can lead to a range of potential career opportunities including Childhood Educator Assistant, Outside School Hours Aide and Preschool Assistant. It reflects the role of workers in a range of early childhood education settings who work within the requirements of the Education and Care Services National Regulations and the National Quality Standard. They support the implementation of an approved learning framework, and support children's wellbeing, learning and development. Depending on the setting, educators may work under direct supervision or autonomously.
