

Welcome to Child Australia Anula OSHC

OSHC and Vacation Care

Our Philosophy

At Anula OSHC, we firmly believe in the agency of all children to learn through their own choices and actions. We view children as capable and curious individuals with a natural drive to explore, create and engage with the world around them. Our environment is designed to empower children to express themselves freely through play — a fundamental aspect of their development that is often overlooked in today's fast-paced world.

We are committed to providing a space where all children are welcomed, regardless of anything. Here, everyone belongs.

Thank you for all that you do.

My son never wants to leave when I pick him up each afternoon!

Hello and Welcome!

Hello and Welcome!

My name is Daniel Lam-Sparkes, and I'm thrilled to be part of the Anula community. I recently moved to Darwin with my wonderful wife, and I've really come to enjoy life here — especially working at Anula. I've had the privilege of working with children for over 14 years, and I've spent the past 5 years in the OSHC sector. Throughout my journey, I've held roles as an Educator, 2IC and Service Manager.

This is my third home as a manager, and I truly believe it will be the best one yet! At Anula OSHC, I am committed to fostering a fun, dynamic and inclusive environment for both children and educators. It's my goal to make this the most exciting, engaging and positively memorable place for everyone involved! It will be the greatest, the most fun, and the awesomeness'est and the best OSHC ever!

Vacation Care

Our Vacation care program operates throughout the school holidays and offers exciting incursions and excursions.

The basis of our Vacation Care service is for the children to enjoy their holiday. We offer children opportunities to play and learn at their own pace, engage in experiences of interest, enjoy a new adventure and be challenged.

For more information please see the program published 1 month prior to each vacation care period.
