

Welcome to Child Australia Lockridge Campus

OSHC and Vacation Care

Our Philosophy

At Lockridge OSHC our program takes children on a journey place of discovery and learning. Discovering things about ourselves, our likes and dislikes.

Discovering our abilities and talents. Developing friendships and leadership skills. Exploring possibilities and nature. Learning about the world around us, our community and appreciating family.

We encourage children to think about OSHC as an extension to family and feel welcome and comfortable in their environment.

Hello and welcome!

Hello and welcome! My name is Roberta Keown.

As the Director of Child Australia Lockridge Campus, I'm delighted to welcome you to our vibrant early learning community.

With over 30 years of experience as both a teacher and centre leader, I am passionate about giving every child the best possible start in life.

I believe in creating a warm, inclusive and stimulating environment where children feel safe, valued and excited to learn and grow each day.

I love working alongside our dedicated team of educators to deliver engaging programs that reflect each child's unique interests and strengths, guided by the National Quality Standard (NQS) and the Early Years Learning Framework (EYLF). Building strong, trusting relationships with families is at the heart of what we do, as we know that parents and caregivers are our most important partners in supporting children's development.

As a lifelong learner myself, I'm always eager to explore new ideas and best practices in early childhood education, and I enjoy sharing what I learn with our team and community.

My greatest joy comes from seeing children thrive and helping families feel connected and supported. **Together, we can make a wonderful difference in the lives of our children and the wider community at Child Australia Lockridge Campus.**

Vacation Care

Our Vacation care program operates throughout the school holidays and offers exciting incursions and excursions.

The basis of our Vacation Care service is for the children to enjoy their holiday. We aim to provide the children with adequate free time for unstructured, self-directed play as well as time for structured activities to meet individual and group needs.

For more information please see the program published on our Facebook page 1 month prior to each vacation care period.
