

We'll keep the children entertained these December and January Holidays!

As a community-based, not-for-profit Outside School Hours care, we provide a stimulating, caring and fun environment for your school aged child (5-12 years).

Whether you are enjoying activities in the surrounds of the beautiful, natural parklands we are adjacent to, or out and about on exciting excursions, our skilled educators will create an environment in which your child can form friendships, explore, create, experiment, and use their imagination.
