

We'll keep the children entertained these Sept/Oct Holidays!

As a community-based, not-for-profit Outside School Hours care, we provide a stimulating, caring and fun environment for your school aged child (5-12 years).

Whether at our service enjoying activities in the surrounds of the beautiful, natural parklands we are adjacent to, or out and about on exciting excursions, our skilled educators will create an environment in which your child can form friendships, explore, create, experiment and use their imagination.
