WEST PILBARA MOBILE CHILDREN'S SERVICE

The Child Australia West Pilbara Mobile Children's Service provides families in the Pilbara a play-based learning in Playgroup.

Our Qualified and Passionate team travel to remote Aboriginal Communities on a weekly basis providing opportunities for Families and children to access quality, engaging and educational play.

This program ensures that all children have the necessary skillset learnt from our Playgroup, for a smooth transition into formal schooling.

Not only do we collaborate with the school, families and elders of the community, but also with many Health, Well-being, cultural and leisure services to ensure that the children and families have a link and relationship to the Port Hedland providers.

Morning Tea Provided!

PLAYGROUP 9:00 AM - 11:30AM

Monday Strelley Community

Tuesday Yandeyarra Community
