OSHC and Vacation Care

Our Philosophy

At Lockridge OSHC, our program takes children on a journey place of discovery and learning. Discovering things about ourselves, our likes and dislikes.

Discovering our abilities and talents. Developing friendships and leadership skills. Exploring possibilities and nature. Learning about the world around us, our community and appreciating family.

We encourage children to think about OSHC as an extension to family and feel welcome and comfortable in their environment.

- **Promote a sense of community within the early childhood setting.**

We do this by building connections between the early childhood setting and the Lockridge local community.
