

Welcome to Child Australia Gray OSHC

OSHC and Vacation Care!

Our Philosophy

At Child Australia Gray OSHC, we are committed to creating a welcoming, safe and inclusive environment where all children are supported to grow, thrive and reach their full potential.

Guided by Child Australia's vision and mission, we prioritise children's wellbeing, learning and development through meaningful relations and engaging experiences.

Gray OSHC works with the Gray Primary School management team and parent & family committees to deliver a program that best suits the school's vision for their students. Aligned with Gray Primary School's values we promote a play and leisure environment which fosters confident, organised and resilient children who persevere through challenges, build positive relationships with others, and grow into respectful global citizens.

Our programs are guided by the national framework EYLF and My Time, Our Place (MTOPI), with a strong focus on play, recreation, and meaningful experiences. Children take part in fun, age-appropriate activities that support their confidence, friendships, creativity, and life skills, all while having a great time.

What we Offer

Our program is fun, inclusive and strikes a balance of rest/relaxation, free-time and organised activities. The environment is designed to be inviting and interactive, offering a wide range of developmentally appropriate activities that appeal to children of all ages and interests.

Vacation Care

Our Vacation care program operates throughout the school holidays and offers exciting incursions and excursions.

The basis of our Vacation Care service is for the children to enjoy their holiday. We aim to provide the children with adequate free time for unstructured, self-directed play as well as time for structured activities to meet individual and group needs.

For more information please see the program published 1 month prior to each vacation care period.
