

Welcome to Child Australia Nightcliff Campus

OSHC and Vacation Care

Our Philosophy

Nightcliff Campus aims to provide safe, play-based programs for children in our school community. Our goal is to positively enable all children to develop their full potential. We offer an environment where children are encouraged to foster friendships. We provide opportunities to develop social skills, leadership qualities, confidence and resilience.

We aim to foster the concept of ownership of our service. Children are encouraged to share ideas and input into the program. Freedom of choice in experiences that encourage exploration and inquiry is balanced with an exciting program.

Meet our OSHC Supervisor

I am Bec, the Supervisor at Child Australia Nightcliff OSHC located on Larrakia Country in Garramilla (Darwin).

I take pride in guiding a team of passionate professionals who strive to weave creativity, curiosity and compassion into every interaction, ensuring that our young learners not only acquire essential skills but also develop a lifelong love for learning.

By collaborating with families, educators, and community partners, we create a supportive network that amplifies the potential of every child. Together, we are building a brighter, more inclusive future, one playful learning experience at a time.

Vacation Care

Our Vacation care program operates throughout the school holidays and offers exciting incursions and excursions.

The basis of our Vacation Care service is for the children to enjoy their holiday. We aim to provide the children with adequate free time for unstructured, self-directed play as well as time for structured activities to meet individual and group needs.

For more information please see the program published 1 month prior to each vacation care period.
