

Welcome to Child Australia Berry Springs OSHC

OSHC and Vacation Care!

Our Philosophy

Child Australia Berry Springs OSHC offers community After School Care and Vacation Care from Pre-School to Grade 6. We are committed to providing quality care and educational practice to the children and families of our Community.

We encourage children to think about OSHC as an extension to family and feel welcome and comfortable. Our environment allows children to create their own safe play spaces while developing a strong sense of belonging and identity; encouraging friendships and sharing. Through play and allocation of tasks educators are able to strengthen and develop the child, bringing out the best in all of their abilities.

- *We believe that every child should be provided with a warm, caring and nurturing environment.*
- *We value children as individuals and encourage their diverse strengths, healthy respect for difference and equality, in turn promoting anti-bias and inclusion for all.*
- *We believe in providing a stimulating and challenging environment that excites and motivates children's sense of wonder and curiosity.*

Vacation Care

Our Vacation care program operates throughout the school holidays and offers exciting incursions and excursions.

The basis of our Vacation Care service is for the children to enjoy their holiday. We aim to provide the children with adequate free time for unstructured, self-directed play as well as time for structured activities to meet individual and group needs.

For more information please see the program published on 1 month prior to each vacation care period.
